

DANCE PRODUCTION TIGHTS ORDER

RETURN ORDERS NO LATER THAN MARCH 16, 2023- Thank you!

Dancin' Plus provides a pair of tights for each female dancer. This helps our classes have a uniform, polished appearance on stage. Tights are sent home with your costume.

If you wish to purchase a spare pair or two (we recommend-especially for the younger dancers) please use this order form. Tights are sized according to costume sizing. We will order the size your child measured at. If you have a different size preference, just mention it on the form below.

Tights are \$6.50 each for footed tights and \$11.50 each for convertible tights for pointe dancers.

We will not have extras available at the dance production. Please plan ahead.
Tights will be sent home with your dancer when the order arrives.
