POINTE CLASSES

AGES 11+ 45 Minute Class \$662.00/Year

Enrollment By Teacher Recommendation

(Cost includes tuition and dance production costuming.)

Commonly known as “toe“, this form of dance has young ballerinas dreaming of their first pair of pretty pink toe shoes. Pointe work takes an incredible amount of training, strength and dedication. As the growth of a dancer’s feet plays a large part as to when a dancer is ready to begin pointe work, we require dancers to be at least 11 years old. Because pointe is not a separate dance form but an extension of ballet training, dancers should have completed at least two years of ballet before attempting pointe. Pointe requires adequate strength and conditioning. Dancers enrolled in pointe are required to also attend a 75 minute combination tap, ballet and jazz class. By attending at least two classes a week, a dancer’s body will stay strong enough to support the demands of pointe. Pointe dancers will begin their training with many strengthening exercises at the ballet barre. We will advance to across the floor combinations and full routines. Dancers will perform one pointe routine in the season ending productions.

Our installment payment system makes your tuition payments convenient. If you will be using this plan, make a non-refundable \$50.00 down payment PER CLASS enrolling in when you register. The down payment saves your place in class. The tuition balance is divided into six installment payments being due no later than the 10th of the month during **September, October, November, December, January, and February**. Payment breakdown and due dates will also be listed in your studio handbook mailed after August 1st.

There is an addition \$20.00 cost added to late payments.

There is a \$35.00 service fee for checks returned due to NSF.

An online payment fee of 3.49% plus .49 cents per transaction is added by the processing company.

Past due accounts must be brought up to date within 30 days.

Recital costume fees are included in your tuition.

We will only order costumes for those with up to date accounts.

BACK TO DANCE DAYZ

To make it easy for our dancers to get the dancewear they need for class, we hold an annual event called Back To Dance Dayz. We do not carry dancewear year round so please plan to attend Dance Dayz for your dance class supplies.

Proper dance shoes are important equipment to a dancer. Proper fit and comfort are essential.

We appreciate our dance families so as a convenience to you, Dancin' Plus offers students great savings on studio quality, comfortable fitting dance shoes during our BACK TO DANCE DAYZ events held in August.

For first time dancers it can be confusing as to what dance shoe styles you need. We are here to help you! Along with your studio handbook you will receive an attire postcard listing photos of what you need for class. Bring it to DANCE DAYZ to make selecting your items simple.

We will have many different styles of dance shoes in stock. We will have great new styles in leotards, studio logo wear, ballet skirts and dance bags in stock as well. You will receive dates and times for our BACK TO DANCE DAYZ sales along with your studio handbook after August 1st.

DANCE PRODUCTION & COSTUMES

We want our students to have the magical experience of being in the “spotlight” of a fully staged production in a real working, historical theatre. However, you are under no obligation to participate in the performances.

If you will be taking part in production weekend, you will be required to participate in rehearsal and dance in your scheduled performances. Our performances involve partner work, groups and formation work that will not work if we do not have our entire cast present. Sorry, no exceptions. So that you can plan accordingly, our production weekend dates are released well in advance and are included in this information packet.

Dance production costume fees are included in your tuition costs. There will not be a separate payment due for costuming. We know how busy parents are. This will eliminate parents forgetting to pay for costuming and remembering once it's too late to order. Many have commented on how nice it would be to break down the costume costs into payments. So, now we are doing that. We strive to keep our dance parents happy! *PLEASE NOTE: Your account must be up to date or costuming WILL NOT be ordered.*

AWARDS

At the end of the dance season, each dancers receives a keepsake medal to celebrate their hard work through out the year. In addition, dancers that have danced five, ten and fifteen consecutive years with Dancin' Plus receive a trophy for their commitment to dance. Graduating seniors have the honor of choreographing their own senior solo to perform in the spring production.

Thank you for your support in making your child's dancing dreams come true!
If you have any questions please feel free to give us a call at 235-6114. We are happy to help.

Many thanks,
Tammy Armstrong
